

Open Call

E IL TOPO

issue number 12

The new editorial staff of E IL TOPO in collaboration with CAREOF , Milan, and SUPPORTICO LOPEZ, Berlin, offers the possibility of publishing pictures on the new issue of the magazine.

Deadline for application: **February 26, 2011**

Guidelines

Magazine

E IL TOPO - art magazine published between 1992-1996 with Piero Cavellini “Edizioni Nuovi Strumenti” from an idea by Gabriele Di Matteo, Franco Silvestro and vedovamazzei - has proposed inedited projects, conceived to be seen exclusively through its pages. With the contributions of artists such as **Art Club 2000, Stefano Arienti, Massimo Bartolini, Maurizio Cattelan Vanessa Beecroft, Mark Dion, Dominique Gonzalez-Foerster, Eva Marisaldi, Grazia Toderi**, among others, E IL TOPO has prophetically recorded the spirit and attitude of a generation of artists which, at that time, was about to achieve definitive international recognition both by the critique and the public.

New magazine attitude and new issue

In 2010 a new editorial staff was born, which mixes part of the historical editorial board with a new group of artists and curators

The 12th issue will be produced in 2012, sixteen years after the publication of the last issue of the magazine in collaboration with CARE OF DOCVA and SUPPORTICO LOPEZ. This new number wants to show from the beginning a strong sense of continuity, and at the same time of innovation, in relation with the last edition.

Open Call

The open call is for the retrieval of photographic material, more specifically portraits, of

personalities from the art world who passed away along the last 16 years, thus in the lapse of time in which E IL TOPO disappeared without a trace. Each submission should make clear the source of the submitted image. The collected material will be successively selected and displayed in the magazine, which will be presented after a workshop and a one-month series of events at CARE OF, venue that during this lapse will work as the headquarters of E IL TOPO.

Eligibility

Everyone is called to participate, artists, curators, gallery owners, art lovers, critics, writers, etc, and also anyone who in the course of her/his life has come into contact with people in the art world that have disappeared in the period included between the 1st of January 1996 and the 26th of February 2012 and wants to send a portrait of this person.
